

Field Gear Checklist

Essential Equipment for Successful Outreach

Being properly prepared for field work is essential for success. This checklist ensures you have everything needed for productive, professional interactions.

Must-Have Items:

- Petitions (sufficient quantity for your route)
- Pens (multiple, different colors for notes)
- Clipboard or folder (secure, professional appearance)
- Personal identification and credentials
- Contact information for support staff
- Water bottle (stay hydrated during long sessions)
- Weather-appropriate clothing and accessories
- Phone with charged battery

Recommended Items:

- Hand sanitizer
- Small first aid kit

- Umbrella or rain protection
- Comfortable, supportive shoes
- Notebook for detailed notes
- Reference materials for common questions

Pre-Shift Preparation:

1. Review the petition or materials you'll be using
2. Check weather conditions and dress appropriately
3. Ensure all equipment is in good condition
4. Confirm your assignment and route with management
5. Test your phone battery and confirm connectivity
